

OEFFA has partnered with the Ohio Grocers Foundation, the Ohio Produce Growers and Marketers Association, and the Ohio Department of Agriculture on a retail marketing campaign called "[OH So Fresh](#)." The goal of the campaign is to increase the amount of Ohio grown specialty crops purchased from grocers and sold to the public, utilizing in-store promotional materials, samples, media outreach, and advertising.

If you're a grower working with a participating retailer, please thank them and encourage them to utilize these tools to promote your products. If you're not already working with one of these retailers, now is a great time to reach out to them! If you're conscientious eater, please support the stores that support local farmers.

For more information about the campaign or a participating business, contact Milo Petruziello at (614) 421-2022 Ext. 206 or milo@oeffa.org.
